

ROCK TRAIL COALITION

Here's a note from President Jeff Johnson:

Postponements: While we are disappointed that we had to cancel our speaker meeting at the Powerhouse at Beloit College, all our other activities are merely postponed until we get the all clear. Once we get that okay, a fun trail maintenance day will be announced. Please stay tuned for updates.

Mocha Moment Fundraiser that was scheduled for next Sunday, April 5, is postponed until after the pandemic is over.

Work party our April 18 work day is postponed indefinitely.

Farmer's Market the Saturday, May 30 farmer's market featuring our outdoor adventure equipment tag sale is *so far* still on. If you have gently used equipment to donate to the sale, we'll be in touch later.
